PRESIDENTS REPORT

Well how time flies the year is nearly over and that means Christmas is even closer. It also means we can have an amazing fun November Christmas meeting for you. It will be filled with great demonstrations, a Christmas lunch and lots of gifts and raffles.

Our meeting will be held on the 11th November which is Remembrance Day. It marks the day WW1 ended in 1915 and we remember those who have died in any conflict. Poppies were one of the first flowers to grow on the battlefields of WW1. The red symbolises the hope after the conflict. They have been used as a symbol since 1920 and any money donated goes to aid the veterans of the armed forces. We will have the pleasure of watching Diane demonstrate the beautiful poppy for us. Also Lyn will show us novel ways of using the yummy orange chocolate balls. Joanne will surprise us with amazing ways you can carve fruit. Don't forget to book in for our catered lunch.

We hope that you have enjoyed the variety of demonstrations throughout the year and reading our newsletters. Of course there is always a lot of planning and organising that goes into every meeting. I personally would like to thank each and every one of the committee ladies for all their help and ideas and for their friendship throughout the year. For anyone and their families who have had ill health and troubled times throughout the year may 2024 be healthier and bring happiness to you all. Wishing you all a very Merry Christmas and wonderful New Year. Look forward to seeing you soon.

Merry Christmas
Love Rosemary xx

A longstanding member Dianne Cooke is now retiring from cake decorating and would like to sell her collection of tins, books, ribbons, tools and lots of other things. She has generously offered them to Golden West members. These will be at bargain prices.

If you are interested Dianne's phone number is 0420 553 516 to arrange a time.

I have come to the conclusion that buying craft supplies and actually using them are two separate hobbies.
