

GOLDEN WEST BRANCH

Cake Decorators Guild of N.S.W.

Hello Everyone,

Thank you everyone that came to our March meeting, it was such a pleasure to see everyone enjoying themselves and loving the fact that we can catch up with each other as well as seeing our demonstrations.

We are very excited planning our May meeting with Diane Woollard and Pearl Toh along with lots of surprises.

Karen from Kake Krumbs is closing her very successful cake business and has been very generous in donating her tools to the Guild so come along, check out what we have and join in the fun.

We will be getting ready for our cupcake fundraiser for Westmead Children's Hospital. You will be able to pick up boxes and cupcake patty cases to use. The date is the 23rd May, delivery address will be discussed at May meeting

We are also planning for our SRD 9th July. It will be held at Kellyville Anglican Church and our theme will be Christmas in July. Don't forget to put it in your diary. Bookings will be taken at May meeting as it will be a catered lunch

Looking forward to seeing you all at Halinda School 14th May.

Hope you and your families are staying well and enjoying a few days of sunshine in between all the rain we are having

Take Care
Love Rosemary xx

Step 1 -Preheat oven to 220C/200C fan forced. Grease a baking tray with butter. Sift the flour into a large bowl. Make a well in the centre. Combine the food colouring and lemonade in a jug.

Step 2—Add lemonade mixture and 250ml (1 cup) cream to flour. Use a flat-bladed knife to stir until a sticky dough forms (do not overmix).

Step 3 - Turn dough onto a lightly floured surface. Sprinkle with flour. Use clean hands to gently press dough into a 2cm-thick disc.

Step - 4 Use a 7cm-diameter (at the widest point) heart-shaped pastry cutter dipped in flour to cut 12 scones from the dough. Press the scraps together to form the last scones. Place on the greased tray 1cm apart. Bake for 12-15 minutes or until scones sound hollow when tapped on top.

Step 5 - Use electric beaters to beat remaining cream in a bowl until firm peaks form.

Step 6 - Split scones and fill with jam, cream and raspberries. Dust with icing sugar to serve.
